I've worked with Joyce for several deals now and I am consistently impressed and pleased. Joyce is ruthless in pursuing the best rates, and terms for loans (and in my experience finds considerably better options than I find anywhere else). She is also very helpful in terms of brainstorming creative options of how to meet lender requirements, which often seem to be different for each lender and each deal at different points of time. Joyce brings deep knowledge of the industry and markets and it has been a pleasure to work with him.

Thank you Joyce for all your hard work to execute our home loan refinance! Despite the challenges with our credit score, and limited cash availability, you worked diligently to find a loan program that you thought would be a good fit for us, that could help rebuild our credit, and save us money in the long run. Throughout the entire process you were available and responsive, communicating all requests and updates from the lender to keep things moving forward. We appreciate how hard you fought for us with the lender and the result is we now have a loan that will help get us out of what has been a very difficult couple of years financially for our family. Your diligence and tenacity in working on our behalf has been amazing!
